SPRING / SUMMER  
CATALOGUE 1994

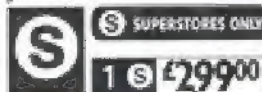

# Welcome to your guide to great value

This Superstore catalogue contains all the products which are available from our Traditional Argos stores, plus an additional 2,700 lines which are exclusive to Superstores. To make it easier for you to find what you want, we have

combined our Traditional and Superstore ranges so you can see the full range Argos has to offer. Products marked by these symbols are exclusive to our Superstores, and are not available from Traditional Argos stores. Please see the back of the catalogue for your nearest Argos Superstore.

## The Argos promise

If you change your mind and decide that a product you have bought does not meet your exact requirements, we offer you the opportunity of returning

it within 16 days of purchase, for a full refund or exchange. We simply ask that it is returned in its original and unspoilt condition, with its original wrapping and your receipt. Please note this promise does not apply to earrings for pierced ears, food products, camcorders, pre-recorded music or videos, video game software or fresh flowers. This guarantee does not affect your statutory rights.

## How to shop Shopping is simple:

- 1 Write the catalogue number and the quantity of the goods you require on a selection form (there are some included in this catalogue as well as in-store).
- 2 Take the form to a service point.
- 3 Whilst you are paying, your goods will be brought to the collection counter ready for you to collect. Some of our larger items can also be ordered by telephone and delivered to your door. Please see page 635 for details.

### PLEASE NOTE:

- Some of the goods which are shown in the catalogue may vary slightly if a supplier has changed or altered their specifications after the catalogue has been printed. If this should happen, we will try to help by offering you alternative goods of a similar specification and value to your original choice.
- All sizes are approximate.
- Please check the in-store catalogues before ordering.
- Under exceptional circumstances, we may have to make adjustments to our prices stated in the catalogue (which include VAT at 17.5%).
- All items are subject to availability.

## Tax Free Shopping

Overseas visitors may qualify for tax free shopping, saving on the cost of their purchase. Customers from countries within the European Community cannot reclaim VAT. Please ask in-store for details.

Overseas visitors may qualify for tax free shopping, saving on the cost of their purchase. Customers from countries within the European Community cannot reclaim VAT. Please ask in-store for details.

# Ways to pay

## Debit Cards

You can pay for your purchase with either of the debit cards shown.

## Cash, Cheque or Credit Card

You can pay for your purchase with cash, or any one of the credit cards below. You can also pay by cheque and if you have a valid cheque card, we will give you immediate clearance on cheques up to £500 (subject to status, you may also need additional identification).

## Argos Personal Account

With the Argos Personal Account you can afford what you want now, and then spread your payments over time. Please ask in-store for details. APR 27.8%† (Subject to variation).

†When payment is made by Direct Debit. A written quotation is available on request.

## Up to £1,000 Instant Credit\*

Please ask in-store for details. \*Subject to status. Available to most adults. Argos is a licensed credit broker.

## Premier Points

You can also pay by redeeming your Premier Points. See page 634.

## Argos Gift Vouchers

Ideal for a gift or special occasion. See page 634.

# Extended guarantees

The following guarantees do not affect your statutory rights.

At Argos, our aim is to offer you high quality, reliable products - all of which carry a manufacturer's guarantee of at least 1 year.

However, for added reassurance we also offer 3 and 5 year Extended Guarantees at low, low prices. So now, at an affordable price, you can insure against possible repair costs after the manufacturer's guarantee has expired.

Underwritten by Cornhill Insurance PLC, our Extended Guarantees cover both parts and labour costs of faults arising due to faulty workmanship or materials used in manufacture.

A 3 year guarantee extends the manufacturer's guarantee (usually 1 year) to a total of 3 years from the date of purchase. A 5 year guarantee extends cover to a total of 5 years from the date of purchase. Our full range of Extended Guarantees is shown in the table opposite.

## How to Purchase

Buying an Extended Guarantee is simple, and can be done at the same time as buying any other Argos product.

- 1 Fill in the appropriate catalogue number on a selection form.
- 2 Take the form to a service point.
- 3 After paying, you will be directed to the collection counter where a member of staff will take all the necessary details to complete your insurance cover.
- 4 You will then be given a copy of the agreement to keep. This will also tell you what to do if you need to make a claim.

### PLEASE NOTE:

You must purchase Extended Guarantee cover **within 30 days of purchasing the item** to be covered. If you have any queries about your insurance cover, please use the Cornhill Insurance helpline 0892 515414 during normal office hours. **Unfortunately we cannot insure items for commercial use.** Please ask in-store for full terms and conditions.

## Free Accidental Damage Cover

We also offer FREE first year accidental damage cover on all the items shown below (except camcorders). To apply simply pick up a leaflet in-store. If you do buy an Extended Guarantee, then we will automatically include the free accidental damage cover.

## Garden Tools

All Flymo petrol mowers are designed to run on leaded or unleaded petrol.

Please Note: All electric powered Flymo lawnmowers sold by Argos have 3-year parts and 1-year labour guarantees. Flymo accessories are available via Argos Mail Order Services (see page 37).

### FLYMO HELPLINE:

For queries about Flymo lawnmowers, call the following telephone number during normal office hours, Monday to Friday 0325 300003

All electrical items on these pages that are supplied with a cable are fitted with a plug

## A GUIDE TO

# gardening

The choice of lawnmowers is becoming more and more complex as manufacturers develop and refine existing technology. We have outlined below some key factors which you should consider before you purchase your equipment.

### Power Choice

#### Petrol

The key benefit of a petrol-powered mower is the freedom it gives you - you are not constrained by proximity to power points. A petrol engine generally provides greater power than an electric motor and will be more suitable for large gardens.

#### Electric

Electric mowers are lighter to use, and start at lower prices. Power output is measured in watts and as with petrol engines, the larger the motor, the bigger the power output.

### Choice of Cut

There are two basic methods by which mowers cut - Rotary and Cylinder. Rotary blade mowers come in two types - wheeled and hover.

#### Rotary Cut

Wheeled rotary blade machines are available in a range of sizes suitable for most gardens. Most collect the grass and can cut close to the edge of the lawn. Some have rollers to stripe the lawn as it is being cut.

All our hover mowers are electric, easy and flexible to use. They operate by literally hovering just above the ground as they cut. There are 2 types of hover mower, ones which simply cut the grass and ones which cut the grass and collect it.

#### Cylinder Cut

This is the traditional English way of striping your lawn. Variable height blades positioned at the front of the mower give a clean, neat finish. All our cylinder mowers collect the grass.

### Garden Tools

#### Grass Trimmers/Edgers

These cut grass around the areas inaccessible with a lawnmower, i.e. close to walls, around trees etc. They work by having a length of nylon line spinning at speed, which cuts the grass.

#### Hedge Trimmers

These are purpose built to keep your hedge looking perfect; they

work by way of "scissor" action with the blades moving rapidly back and forth.

### Garden Shredders

These products reduce your garden waste - leaves, hedge cuttings, small branches etc, into a smaller size, enabling good compost to be produced much more quickly.

### GARDENING SAFETY TIPS

Together with **ROSPA** we have identified some key safety tips you should follow in the garden.

- ▲ Always follow the manufacturer's instructions very carefully.
- ▲ Always fit a residual current device (RCD) to the electric socket for added protection. This disconnects the electric circuit if there is a fault (order Cat. No. 982/1321).
- ▲ Never use an electric mower in damp conditions and do not attempt to lift the mower whilst the blade is rotating.
- ▲ Always wear safety goggles, stout shoes and hand protection where necessary - particularly on rough ground (order Argos DIY Safety Kit 701/0640).

To help you choose the right tools for DIY jobs at home we have explained some of the more common features.

## Power Drills and Screwdriver Features

### Input Wattage

The power of the motor in your drill is measured by "input wattage". For tough heavy duty jobs, or frequent and prolonged use, a drill with a high rating is important.

### Chuck Size

This refers to the diameter of drill bit shank which can be put into the drill.

### Speed

Varying materials and hole sizes require different speeds and power.

### Single Speed

For straight forward drilling into wood, metal and plastic, a single speed drill may be suitable.

### Two Speed

Drills with two speeds allow greater flexibility in drilling through hard or soft materials. A two speed drill will also allow you to select either fast or slow speed measured in RPM (revolutions per minute). The higher the RPM, the faster the rotation of the drill. When drilling into hard materials like masonry, you need to use higher speeds with hammer action.

### Variable Speed Drills

For more control and precision a variable speed drill may be suitable. It will allow you to tackle a variety of tasks in different materials and thicknesses with greater accuracy than the two speed drills. Always read the manufacturers' instructions before using variable or two-speed drills.

### Reversing

The drill is able to rotate in the opposite direction to normal. This is handy for screwdriving or removing a sticking drill bit.

### Hammer Action

For tough jobs like masonry or concrete drilling. A drill with a hammer action literally "hammers" the drill bit into the wall (thousands of times a minute), as well as rotating it.

### Torque Control

Drills with torque control continuously monitor the "resistance" to the drill bit. This means that if you suddenly encounter an impenetrable area, the drill will stop rather than risk damage to itself. Torque control is particularly useful if you intend using your drill as a screwdriver as it "feels" the resistance of the screw and prevents over tightening.

## HELPLINES

## POWER DRILLS SAFETY TIPS

In conjunction with ROSPA the Royal Society for the Prevention of Accidents, we have put together the following safety advice.

- ▲ Always read and follow the manufacturer's instructions before starting work. If you lend equipment, make sure that the user reads the instructions for reference.
- ▲ Always fit a residual current device (RCD) to the electric socket and test it before using a power tool. This disconnects the electric circuit if there is a fault (order Cat. No. 982/1321).
- ▲ Wear safety goggles for DIY activities.
- ▲ Unplug the drill before fitting bits and use good quality sharp bits in the drill, making sure they are secured firmly in the chuck.
- ▲ Don't leave cables trailing over the edge of the work surface. When the job is finished, put the drill away.

ALL ELECTRICAL ITEMS ON THESE  
PAGES ARE FITTED WITH A PLUG

# A GUIDE TO

# cordless power tools

**B**uying the right tools for the job can be the key to successful DIY.

As cordless drills and screwdrivers have rechargeable batteries and no extension leads, they can operate at any distance from a mains supply.

Cordless drills can still be used to drill holes in wood, metal, plastic and masonry if they have a hammer action facility. Those featured with variable speed and reverse can also act as a screwdriver.

## Cordless Drill and Screwdriver Features

### Voltage

The higher the voltage of a battery the more power the drill has for tougher jobs.

### Trickle Charge

The batteries are charged slowly while the tool is not in use (i.e. overnight). They can be left on continuous charge with no harm to the batteries, so the tool is always ready to use.

### Fast Charge

The batteries can be charged in approximately one to three hours depending on specification (but cannot be left on charge permanently).

### Spindle Lock

Spindle lock allows a powered screwdriver to be used as a conventional hand screwdriver, particularly useful for exceptionally tough screws.

### Keyless Chuck

Allows you to change a drill bit quickly without the need for a chuck key.

### Removable Battery

A rechargeable, removable battery allows greater flexibility and continuous use, as a second battery can be charged whilst the drill is in use.

### HELPLINES

For any queries about your drill ring the appropriate telephone number during normal office hours.

## POWER DRILLS SAFETY TIPS

In conjunction with RoSPA® the Royal Society for the Prevention of Accidents, we have put together the following safety advice.

- ▲ Always read and follow the manufacturer's instructions before starting work. If you lend equipment, make sure that the user reads the instructions for reference.
- ▲ Always fit a residual current device (RCD) to the electric socket and test it before using a power tool. This disconnects the electric circuit if there is a fault (order Cat. No. 962/1321).
- ▲ Wear safety goggles for DIY activities.
- ▲ Unplug the drill before fitting bits and use good quality sharp bits in the drill, making sure they are secured firmly in the chuck.
- ▲ Don't leave cables trailing over the edge of the work surface. When the job is finished, put the drill away.

**1. RICHMOND SAFETY KIT.** Comprises set of adjustable ear defenders to BS6344/1, adjustable non-fogging ventilated goggles to BS2092/1, filter mask with 5 replacement filters and pair of heavy duty split leather gloves (not heat resistant).

Cat. No. 701/0660 £9.99

**3. MULTI SHARP HOME SHARPENING SYSTEM.** Unique water cooling prevents damage to steel temper, accurately sharpens HSS and masonry drill bits (3-13mm), chisels, plane blades, knives (including serrated and scalloped edge), scissors and most bladed and pointed tools.

Cat. No. 701/1133 £22.99

**4. HILKA 40 PIECE DRILL AND SCREWDRIVER BIT SET.** Contains 14 HSS 1-6mm, 8 masonry 3-10mm, 8 wood bits 3-10mm, 3 flat bits 1/8, 3/16, 1/4, 5 screwdriver bits crossed and slotted. With magnetic bit holder in a moulded storage case.

Cat. No. 701/1195 £13.99

**5. BLACK & DECKER 30 PIECE DRILL AND SCREWDRIVER BIT SET.** Contains 7 HSS, 6 masonry and 5 wood bits, centre punch, countersink bit, 9 screwdriver bits, magnetic bit holder and storage case.

Cat. No. 701/0440 £22.99

### 6. SUPERSTORES ONLY

**BLACK & DECKER POWER DRIVER ACCESSORY SET.** Includes 6 individual sockets, 1 socket adaptor, 1 countersink bit, 1 pilot drill bit, 1 magnetic bit holder, 1 flexible drive shaft and 9 screwdriver bits all contained in a tough storage case. Ideal for use with all powered screwdrivers with 1/4 inch shank.

Cat. No. 701/0480 £13.99

SAFETY KIT

1 £9.99

### 2. SKIL FLEX-CHARGE COMBI PACK.

Supplied with 2 ltrs. Uses same batteries and consists of:  
2136 CORDLESS SCREWDRIVER.  
● 3.6 volt. ● Speed 180 rpm.  
● Charge time 3 hours.  
● One flex-charge battery.  
● Reversing facility.  
● Spindle lock.  
2172 CORDLESS DRILL/SCREWDRIVER.  
● 7.2 volt. ● Two speeds.  
● Speeds 300 and 600 rpm.  
● Charge time 3 hours.  
● Two flex-charge batteries.  
● Reversing facility.  
With charger unit for both tools.

- Speeds 0-600/0-1300 rpm. • Variable speed.
- Charge time 3 hours. • Charger included.
- Removable battery.
- 1/4 inch chuck.
- Reverse facility.
- Hammer action.

Cat. No. 710/7470 £109.00 **3 HOUR CHARGE**

**PROLINE**

18 £134.50

**BLACK & DECKER PROLINE PL95KB CORDLESS DRILL.**

- 9.6 volt. • Two speeds.
- Speeds 0-450/0-1100 rpm.
- Variable speed. • Charge time 2 hours.
- Charger included. • Removable battery.
- 1/4 inch chuck.
- Torque control. • Reverse facility.
- Case included.

Cat. No. 710/7889 £134.50 **2 HOUR CHARGE**

Inserted bits can be secured in the easy-grip, quick-clamping chuck using just one hand thanks to the spindle lock - no keys needed - see item 16.

**CORDLESS DRILLS FROM ONLY £34.99**

**10. BLACK & DECKER BD 1200 WALLPAPER STRIPPER.** For fast, easy and clean removal of all types of wall coverings. Ready for use in less than 60 seconds after filling giving almost continuous use. Detachable water tank can be filled straight from the tap. Lightweight. Can be used at any angle on walls and ceilings. 1200 watt.

Cat. No. 71046088 £32.50

**11. EMBLEX STEAM BASIC WALLPAPER STRIPPER.** For fast removal of all types of wallpaper including painted, multi-layered and Arlon. Large ultra-soft steam plate. 12 foot hose enables easy access to remote areas. Approx 60 minutes continuous use from one full 15.5 gallon tank.

Cat. No. 71046060 £27.50

**12. STANLEY Paintstripper.** Comes in 1, 2 and 3 inch plate sizes. Paints brushed on. Includes all features and polypropylene handles. 4 1/2 inch white bristle emulsion brush with oak clip to rest brush when not in use. 9 inch medium pile synthetic roller and paint tray. 12 x 6 feet aporo-polythene dust sheet and 6 sheets of assorted grade sandpaper.

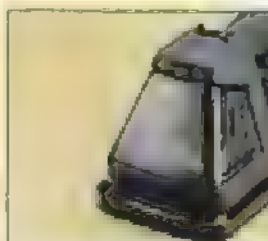

Cat. No. 70911229 £9.99

**13. BLACK & DECKER BD 1600X PAINT STRIPPER/HEAT GUN.** 1 plate settings: 550°C. Fast, easy and controllable method of stripping oil based paints and varnishes. Allows paint to be removed quickly and cleanly without scorching the woodwork. 1600 watt. Supplied with screen and glass front for heat.

Cat. No. 7107809 £26.50

**14. BOSCH PHG 490-2 HOT AIR GUN.** 2 heat settings: 300°C and 500°C. For fast stripping of old paint, shaping plastics, debossing glass, lightening barnum etc. 1600 watt.

Cat. No. 71046053 £27.50

10 £32.50

**15. BLACK & DECKER BD 1600 PAINT STRIPPER/HEAT GUN.** 2 heat settings: 300°C and 560°C. In-line position used with integral scrapers for optimum heat. Making oil-based paint stripping quicker and easier. Enables one-handed use, increasing safety when moving on ladders and increased access to hard to reach places. 1600 watt.

Cat. No. 71046718 £34.50

**SOL "TWIN" 21054V CORDLESS SCREWDRIVER.**

- 2.4 volt
- Speed 130 rpm.
- Charge time 6 hours.
- Charger included.
- 2 double function screwdriver bits. 6 bits and holder included.

Cat. No. 71046976 £14.75

**BOSCH PSR 2 4V CORDLESS SCREWDRIVER.**

- 2.4 volt
- Speed 130 rpm.
- Charge time 6 hours.
- Charger included.
- Reversing facility.
- 2 screwdriver bits included.

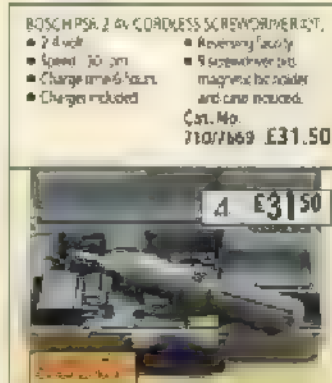

Cat. No. 71046473 £19.75

**BLACK & DECKER 901B CORDLESS SCREWDRIVER.**

- 2.4 volt
- Speed 130 rpm.
- Charge time 12 hours.
- Charger included.
- Spindle lock.
- Double function screwdriver bit included.

Cat. No. 71046837 £19.50

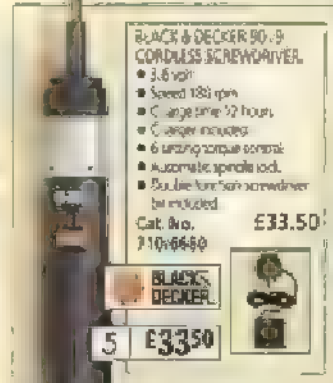

**BOSCH PSR 2 4V CORDLESS SCREWDRIVER KIT.**

- 2.4 volt
- Speed 30 rpm.
- Charge time 6 hours.
- Charger included.
- Reversing facility.
- 9 screwdriver bits magnetic bit holder and case included.

**16. SKIL 4200 BASELINE K55AW** Single speed, 1200 strokes per minute. 360 mm. Cutting capacities: wood 50mm, steel 3mm, aluminium 3mm. Mitre cutting 34°. Blade guard and blade storage built in.

Cat No. 710/7690 £29.50

**17. BLACK & DECKER BD1150A** 1150W SPEED SHIFTER. Variable speed, 1500-3000 rpm. Blade guard. Adjustable cutting angle 45°. Cutting capacities: wood 50mm, steel 3mm, aluminium 3mm. Mitre cutting 34°. Blade guard and blade storage built in.

Cat No. 710/4277 £29.50

**18. SKIL 4200 45° SET VARIABLE SPEED K55AW** Speed: 1500-3000 rpm. Blade cutting depth 54mm wood, 3mm steel. Mitre cutting facility. Ruler guide support 350mm.

Cat No. 710/6048 £52.50

**19. BLACK & DECKER BD185C VARIABLE SPEED SCORPER JIGSAW** Variable speed for controlled cutting in all materials. 1500-1700 strokes per minute. Working quality. Wide cutting capacity 0-45°. Dust extraction built in. Blade guard and blade storage. Cutting capacities: wood 55mm, steel 3mm, aluminium 3mm and plastic 35mm. 34° mitre.

Cat No. 710/4284 £67.50

**20. BOSCH PST 65PAE JIGSAW** 3 variable speeds. 1500-3000 rpm. Mitre cutting facility. New "discsystem" blade fitting. Max cutting depth 65mm wood, 6mm steel. Blade plate pivots for level cut. 45°. Dust extraction facility. 400 watt.

Cat No. 710/6878 £89.99

**21. SKIL 1660 ORBITAL SANDER** 150 watt. Variable speed. 1500-3000 rpm. 12,000 orbits per minute.

Cat No. 710/7896 £29.50

**22. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Can be connected to a vacuum cleaner for dust extraction. 12,000 orbits per minute. 1,000 rpm. 35 watt.

Cat No. 710/7308 £29.50

**23. BOSCH PST 23 175W SKILL ORBITAL SANDER** Speed: 1500-3000 rpm. Mitre cutting facility. 26,000 orbits per minute. No load speed 13,000 rpm. 50 watt.

Cat No. 710/7315 £41.00

**24. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Single speed. 20,000 orbits per minute. 10,000 rpm. Dust extraction facility with integrated bag. 150 watt. Supplied with handguard.

Cat No. 710/7719 £52.50

**25. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Variable speed. 1500-3000 rpm. Mitre cutting facility. 26,000 orbits per minute. No load speed 13,000 rpm. 50 watt. Dust extraction facility with integrated bag. 150 watt. Supplied with handguard.

Cat No. 710/7649 £59.50

**26. SKIL 4200 45° SET VARIABLE SPEED K55AW** Speed: 1500-3000 rpm. Blade cutting depth 54mm wood, 3mm steel. Mitre cutting facility. Ruler guide support 350mm.

Cat No. 710/6232 £62.50

**27. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Can be connected to a vacuum cleaner for dust extraction. 12,000 orbits per minute. 1,000 rpm. 35 watt.

Cat No. 710/7119 £79.50

**28. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Can be connected to a vacuum cleaner for dust extraction. 12,000 orbits per minute. 1,000 rpm. 35 watt.

Cat No. 710/8084 £59.50

**29. BLACK & DECKER BD175 175W SKILL ORBITAL SANDER** Can be connected to a vacuum cleaner for dust extraction. 12,000 orbits per minute. 1,000 rpm. 35 watt.

Cat No. 710/7311 £57.50

**30. BOSCH PHD 15-82 POWER PLANKER** Backsaw with variable speed. 1500-3000 rpm. Easy adjusted depth cut 0-15mm. Rebasing depth 0-15mm. 82mm planing width. 500 watt motor.

Cat No. 710/7311 £58.00

**1. SKIL 1850C CIRCULAR SAW** 6 inch TCT blade. Adjustable fence. Max cutting depth 50mm. No load speed 4300 rpm. B30 wet motor. With vacuum dust collector and blade key.

Cat. No. 7108125 **£57.50**

**2. BLACK & DECKER 8084SK CIRCULAR SAW** 850 watt motor. Cutting depth adjustable to 46mm. 5 1/2 inch blade. Rip fence guide, miter cutting facility. Dual on/off switches. 4000 rpm no load speed. With TCT blade and adjustable carry case.

Cat. No. 7108046 **£79.50**

**3. BLACK & DECKER PROLINE PL40 CIRCULAR SAW** 7 1/2 inch blade. No load speed 4900 rpm. Miter cutting facility. 0-45° cutting depth adjustable to 50mm. Dust extraction facility. 150 watt. With rip fence guide, block change spacers and TCT blade.

Cat. No. 7107535 **£104.50**

**4. CLARKE 'HURRICANE' WATER PUMP** Fully submersible for removing flooded cellars, pits, flooded and for draining mountains and waterfalls. Pumps up to 1000 gallons per hour. Lifts water up to 6m and can pump to water 1/4 inch from the floor. Long life sealed in pump motor. With 1/2 and 1 inch hose adapter (to be cut to size), 10m of cable and instructions. A residual current circuit breaker (RCCB) must be used when pumping from ponds or swimming pools and is recommended for other applications - see item no 24 on page 43.

Cat. No. 7107913 **£67.99**

**5. DRAPER HOBBY TABLE SAW** Depth of cut 90° - 42mm and at 45° - 28mm. Facilities include mitering, rips, cutting, tapering and compound mitering using the wing cable (0-45°). Fitted with 1/2 HP motor motor for quiet running. Table size 15 x 15 inch approx. With dust extraction outlet. Spare blades and flexible shaft available via express mail order - see page 37.

Cat. No. 7108091 **£99.99**

**6. DRAPER 10-INCH TABLE SAW** Depth of cut 3 inch (7.6mm) approx at 90° and 2 1/2 inch (64mm) approx at 45°. With a 2 1/2 HP motor. Front and rear tooling up fence and more cutting slot for accurate and controlled use. Blade features include rise and fall tilting, arbor, ripping, straight miter and compound angle cutting. With VDE safety approved switch.

Cat. No. 7107724 **£159.99**

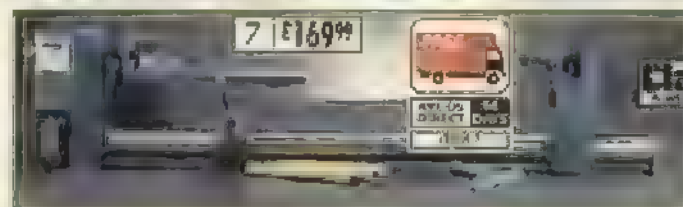

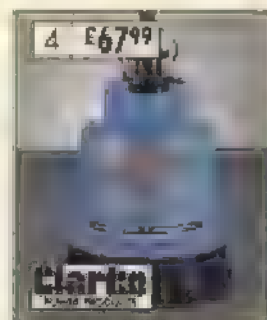

**7. CLARKE 37-INCH WOOD LATHE WITH 3-PIECE WOOD TURNING CHISEL SET** Ideal for turning bowls, lampstands, chair legs etc. 5 speeds (1475-3060 rpm). 37 inch between centres. Turning capacity up to 12 inch diameter. Spindle protrudes on outside for turning larger items. Precision ground and composite with 236mm and 50mm wood rests. Tail plate and drive centre. 240v ac mains. Free home delivery, see page 635.

Cat. No. 7051399 **£169.99**

**8. CLARKE 6-INCH HEAVY DUTY BENCH GRINDER** With dust extraction facility. Ideal for fast, easy sharpening of garden and workshop tools plus general metal sharpening/grinding. Complete with 1 coarse and 1 medium grinding wheel, adjustable eye shields and tool rest. 240v ac mains. Cat. No. 7107023 **£39.50**

**9. HILKA PRO CRAFT UTILITY WELDING KIT** 100 amp double insulated machine for maximum safety. Ideal for general welding and basic car repairs. For materials up to 3mm thick. Totally variable welding current for complete control. Lightweight and portable. With face mask, earth clamp, electrode holder and accessories.

Cat. No. 7108077 **£49.99**

**10. SP HURRICANE 21525 ON FREE PROFESSIONAL** See item no 24 on page 43. Spray gun and air hose. Wheel mounted on a 25 litre tank and fitted with automatic shut-off valve. Powerful 1.5 HP motor. Pressure gauge and regulator. Pressure 7.5 atm and maximum pressure 118 PSI. Ideal for spraying, inflating, or blowing and is operate low consumption air tools. 240v ac mains. Free home delivery, see page 635.

Cat. No. 7051375 **£199.99**

**11. SP LUNASTORM PRESSURE WASHER** Powerful water jet action up to 1300 PSI pressure. Operates from a standard garden hose. Complete with high pressure lance, lance and low pressure chemical pick-up tool for cleaning cars, patios, boats, garden furniture, caravans etc. 240v ac mains. It is recommended that a residual current circuit breaker is used, see item no 24 on page 43. Free home delivery, see page 635.

Cat. No. 7051382 **£179.99**

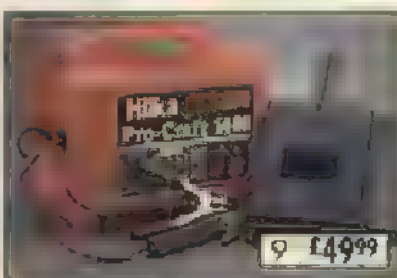

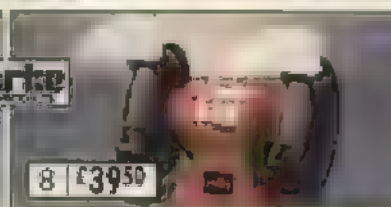

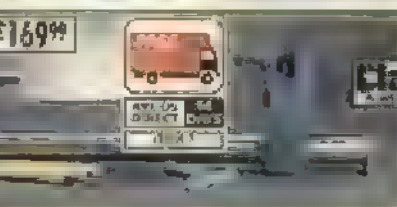

**12. KAPPA 10-INCH POWER WASHER** Use a for patios, patios, garden furniture, lawns, boats and cars. Powerful nozzle gives 2000 PSI with very low water consumption. Uses cold or hot water up to 30°C. With shoulder strap, hose coupling, nozzle cleaning tool and suspension hose. 240v ac mains. Weighs 5.3kg. It is recommended that a residual current circuit breaker is used, see item no 24, on page 43.

Cat. No. 7107748 **£119.99**

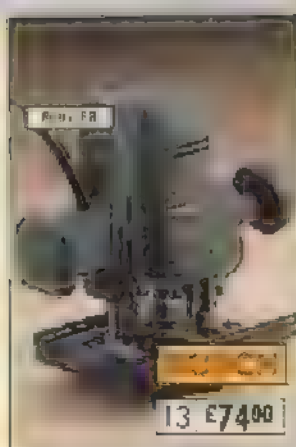

**13. BOSCH POF 400A ROUTER** 400 watt. Cord size 1/4 inch. Parallel guide centring pin, 1/4 inch router bit and dust extraction adaptor included. No tool speed 17,000 rpm. Max plunge depth 6mm. For planing, grooving, reeding, bevelling and profile cutting.

Cat. No. 7107339 **£74.00**

## CIRCULAR SAWS

**14. MACROMARK REMOTE CONTROL BATTERY-MAINS COMPACT OVERLIDER ALARM.** Senses human movement, across an 8 meter arc. Triggers a loud 95 decibel siren. Sounds for 1 minute before automatically resetting. Controlled by remote control. The siren gives a 30 sec and delay to leave the room and 1 + seconds for disarming or re-entry. LLD low battery indicator. Ideal for the home, garden shed or caravan. With mains adaptor and 5 metre cables, simple to install at, no 4 or 6 screws. Replaces 3 x 2300 common (order 2 of 9601444 at £1.39 per).

**Cat. No. 7011023 £19.99**

**15. MACROMARK COMPLETE HOME SECURITY SYSTEM.** Easy to install, powered by standard plug-in adaptor (supplied). With programmable keypad (comes with phone button), back up battery, external 95 decibel siren and internal bell box with 170 decibel siren. 2 internal passive infra red detectors and 3 pairs of magnetic contacts. Siren automatically cuts off and resets after a 40 sec time delay period. Entire system complete with 22 metre cables. DRS hand screws, wall plugs, comprehensive instructions and a telephone keypad.

**Cat. No. 7011030 £69.99**

**16. MOSS SECURITY SYSTEM FOR HOME SECURITY SYSTEM WITH CORDLESS DETECTORS.** Comprises control centre, 2 passive infra red movement detectors, cordless door window detectors, remote control with batteries and panic button. 110 decibel external siren and 12 volt power adaptor. 10 metre cable for connecting external siren. 54 cable clips, some have wall plugs, screws and long hinges. The motion detectors and alarm control are linked to the control centre by the latest radio frequency technology requiring no wiring. Control centre allows speaker tones to be programmed and is equipped with an easily reversible alarm mode. Incorporating 'panic' buttons, status indicators and an internal alarm siren. For wiring install a rechargeable back up battery (optional). Remote control allows control of system around the house. With comprehensive instructions and Moss Security advice.

**Cat. No. 7011047 £239.99**

**17. BLACK & DECKER SMOKE DETECTOR SYSTEM.** Easy to install, with keypad unit, comprehensive alarm system with personal alarm button. Simple user operation via a conveniently programmable microprocessor controlled panel with touch sensitive keypad. LED display, a trouble charged back up battery, internal siren and non volatile memory. And has a built in 15 decibel siren with activating 44K module and rechargeable nickel battery. 2 internal passive infra red detectors, 2 pairs of magnetic contacts, personal alarm button. With 50m of cable, tape, 110 clips, long screws, wall plugs, some lines and instructions. With handle.

**Cat. No. 7011057 £114.99**

## CRIMESTOPPERS

Launched in 1988 and totally supported by a charitable trust, CRIMESTOPPERS provides a system for anyone to help. Guide but crime IN TOTAL ANONYMITY. The 0800 553111 FREEPHONE telephone number is a National number. You don't have to give your name and address.

Simple detectors provide an early warning system. Smoke and fumes are the major causes of death in house fires with most fatalities occurring at night - once a fire starts you could have as little as 3 minutes to escape. All Argos smoke detectors comply with the BS5446 Part 1 and carry the "Kite Mark". They are endorsed by the Fire Authorities. They come complete with an instructions, fuzings and batteries.

For queries about your smoke detector or alarm system, please the appropriate helpline: Black & Decker 0353 506779. Dismantle 0242 251661. Moss Security 0527 585522. Control 5 081 261 4644. Micromark 081 889 3232.

**18. BLACK & DECKER SMOKE DETECTOR.** Loud 85 decibel horn, low and rising battery indicator, yellow coded test button for full security testing. With battery fuzings and test instructions.

**Cat. No. 7007592 £3.75**

**19. BLACK & DECKER COMPACT SMOKE DETECTOR.** Loud 85 decibel horn, low battery indicator, LED power indicator and test button. With battery fuzings and instructions.

**Cat. No. 7007412 £6.75**

Cat. No. 7407754 **£139.00**

**9. AUTOMATICALLY FULLY CHARGES** For 12V batteries. Automatically fully charges with no danger of overcharging. Batteries may be left permanently connected. Suitable for "maintenance free" and sealed car batteries. Includes thermal cut-out and full short circuit reverse polarity protection. Ideal for camping, boating, wheelchairs etc. Conforms to Electrical Equipment (Safety) Regulations and BS3446.

Cat. No. 750/0479 £19.99

**10. 5.5 AMP BATTERY CHARGER** For 12V batteries. Fast and normal charge rate. Automatic thermal cut-out with full short circuit and reverse polarity protection. Complies with Electrical Equipment (Safety) Regulations and BS3446.

Cat. No. 750/0462 £9.99

**11. BRADCO 8 AMP BATTERY CHARGER** Powerful charger offering two charge rates on high 8 amps RMS and low 4 amps RMS. Suitable for use on 6V and 12V batteries. Features include built-in charging handle plus durable cable tray and plug storage point.

Cat. No. 750/4750 £14.99

**12. GILBWIN 5 AMP/10 AMP DUTY STARTER-CHARGER** For boosting a vehicle's battery when it is too flat to start the engine. With fast battery charging at 15 amps RMS and boost charging at 20 amps RMS. Overload protection.

Complies with Electrical Equipment (Safety) Regulations and BS3446.

Cat. No. 750/4839 £38.99

**13. HILFA 3-IN-1 10 AMP 12V AIR COMPRESSOR** Plugs directly into vehicle cigarette lighter socket. Complete with 1 x feet cord, 30 such as hose with snap-on tyre valve connector, 2 coupler adaptors, needle adaptor, emergency light, amber flash and tyre pressure gauge.

Cat. No. 750/4822 £14.99

**14. BUSYBODY CASE COMPRESSOR** Operates from cigarette lighter socket or battery terminals using special adaptor provided. Incorporates powerful 12V motor and pressure gauge. Bright worldlight/taillight beacon. Delivers for use on 12 feet lead approx. Built inside carrying case with reflector on lid. Supplied with adaptors for inflatable.

Cat. No. 750/4695 £26.99

**15. BUSYBODY 3-IN-1 AIR COMPRESSOR KIT** Operates from car cigarette lighter socket. Incorporates 12V inflator with pressure reading pressure gauge. Bright worldlight/taillight beacon operates on 10 feet lead approx. Adaptor supplied for other vehicles. Built inside carrying case with reflector on lid.

Cat. No. 750/4619 £19.99

**16. 12V BATTERY-POWERED PUMP SUPPLY** Instant cordless engine starter for petrol engines up to 300cc. 12V battery pack (not included) powered polarity protection can be recharged from mains or car while driving. Also powers 12V accessories for 12V camping and motorhome. Complete with 12V car charger, vehicle charging and 2V accessory lead. Conforms to CCAEN60742. Output 60 watt hour, 5.5Ah battery capacity.

Manufacturer's Part No. 716203.

Cat. No. 750/4891 £59.95

**17. 12V HILFA 10 AMP 100 PSI AIR PUMP** Robust design, pressure gauge. Thumb lock lever valve connector for car and motor cycle tyres. Plus adaptors for bicycle tyres and other inflatable items.

## Stay in shape at Argos

Our range of in-home exercise equipment will enable you to exercise where and when it suits you. We have equipment to develop strength and stamina for men and women of all ages, for beginners and for experts.

Whether you're looking for light exercise or for something more "serious", at Argos, we know how to take care of it.

Before you start, we recommend two key safety tips.

- Always consult your doctor before starting a new exercise programme which will involve a major increase in exercise compared to what you are used to.
- Never let children near any equipment whilst in use as serious injuries can be caused by moving chains, wheels and spokes.

### Strength Training

There is a variety of keep fit equipment available at Argos which primarily helps to build up your strength.

**Weights and Benches** are the simplest way to increase your strength. With weights you can use either a barbell or dumbbell bar depending on the type of exercise you want to do. If you use a bench in conjunction with a set of weights it will allow you to develop your own training programme.

**Multigyms** are the most comprehensive fitness and body building machines for developing your muscles. They are fully adjustable so that you can progressively increase and

decrease the weights and resistance on them. Our multigyms will suit everyone, whatever your age, sex or level of ability.

We've included a dimensions box next to each multigym, but do allow for the extra space needed when the equipment is in use.

### Stamina Building

If you are looking to build up your stamina through exercise then have a look at our range of Exercise Bikes, Rowing Machines, Steppers and Treadmills.

### Exercise Bikes

help to build up your aerobic capacity and are particularly good at helping to tone up the muscles in your buttocks, hips, thighs and legs. Dual action cycles have adjustable pivoting handlebars enabling you to pedal and row, exercising the upper and lower body at the same time.

### Rowing Machines

are the single best machines for all round exercise by strengthening your legs and exercising your upper body.

### Steppers

provide one of the best forms of cardiovascular workout, using the largest body muscle groups and strengthening, toning and contracting muscles. Steppers are available in various formats from basic floor steppers to stepper climbers with electronic monitoring.

### Treadmills

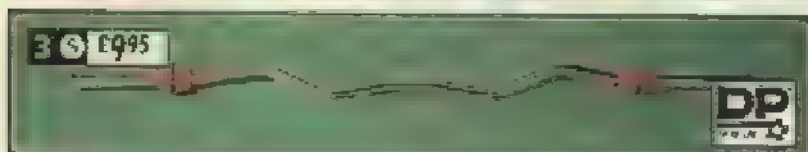

Are similar to jogging and walking and are renowned as one of the most intensive work-out machines.

Now we've given you some key tips on keep fit equipment, have a look through the catalogue to see our full range and let Argos take care of it.

approximate

 SIZING GUIDE Check your  
inside leg measurement (from  
bottom of foot) to find the  
correct frame size to suit  
your needs. For off-road  
ride, choose a cycle with a  
carrier to give you the  
extra support. For road use a  
larger frame will suit. E.G.  
inside leg 30 inch-34 inch  
18 inch frame on road  
20 inch frame.

**SAFETY**  
Filling material(s) and covering fabric(s) meet the requirements for resistance to cigarette and match ignition in the 1988 Furniture and Furnishings (Fire) (Safety) Regulations

# A GUIDE TO

# beds

At Argos we offer a comprehensive range of beds which provide a high standard of quality and comfort at affordable prices. When choosing your bed the combination of mattress and base play an important part.

**Open Coil Springs.** Rows of tempered springs are linked together with helical wires to spread your weight evenly across the mattress.

The firmness and support of the mattress is further complemented by the type of base. Platform Top With no springs, which adds greater support to the mattress.

## Care of your New Bed

After delivery, keep the bed uncovered for a few hours to allow the mattress to air thoroughly. Do not roll or bend the mattress. Turn the mattress frequently from end-to-end and side-to-side.

Headboards available on page 89.

Every Bed complies with the British Standard BS 7177 for resistance to ignition of mattresses, divans and bed bases.

## Airsprung

Manufactured under a quality system approved by BS5750. Made with individually tempered springs and spring units. These units are covered with a unique bonded natural core fibre insulation pad called "Fibrex" which virtually eliminates spring feel, softer upholstery layers are then added to increase overall comfort. A deep quilted finish maintains a constant high level of comfort to the total sleeping area.

## Layzee

Manufactured under a quality assurance system accredited to BS5750, the deep quilted mattress features a traditional spring unit, upholstered with layers of natural fillings and covered with a durable, printed fabric. Layzee Beds combine comfort

with the correct level of support to ensure a good night's sleep.

## Dorlux

Manufacturer's accredited with BS5750 quality management standard. Made with a premium quality spring unit, each is upholstered in layers of natural and man-made fibre fillings, ensuring the correct level of support and exceptional comfort. For tufted mattresses the fillings are held securely together by passing a series of tapes right through the mattress and securing them with a felt washer.

Luxuriously microquilted and combined with a unique head to toe spring unit.

Springs are joined by helical wires transferring weight up and down, not across, resulting in no roll together.

Cat. No. 6710174 £445.00

## **A GUIDE TO**

## **fax machines**

**A** fax machine needs to be plugged into a new style phone socket and the mains. Some fax machines have an internal fax switch and can direct the incoming call to either the fax or telephone as appropriate, others also allow connection to an answering machine. However, if you have extension phones you will require an external

fax switch. This enables the use of the fax with an answering machine and extension phones all on one line. To help you with your choice, we have identified some key features.

**Half Tone Reproduction** produces shades of grey and not just black and white, giving greater clarity for photographs

or brochures.

**Superfine/Line Mode** allows for a better reproduction of detailed documents/drawings with the facility for fine print.

**Auto Document Feed** lets you set up a number of pages for automatic transmission or copying in sequence.

**Activity Report** provides a summary of information transmitted and received.

**RFX**  
 The maximum Ring Equivalent Number for a phone line is 4. Your equipment may not function correctly if this is exceeded.

# A GUIDE TO

# typewriters & word processors

If you are building up your business, from an office or your home, you will be looking for the latest office equipment. At Argos we now sell a wide range of business equipment, and all at affordable prices.

To help you with your choice we have explained some of the features relating to our range of Typewriters and Word Processors.

## Typewriter Features

**Correction Memory**  
This enables you to correct up to two lines of current text so if an error is made you can simply relocate and delete it.

**Text Memory**  
This facility allows you to store information/text of varying amounts. This can range from 3 pages of text with a 6K memory to 4 pages of text with a 12K memory capacity.

**LCD**  
Liquid Crystal Display (LCD) allows you to review and edit text easily on screen before printing.

## Justification

This allows documents to be produced with the right hand margin blocked so sentences are of equal proportion regardless of the number of words, giving a professional appearance.

## Spellcheck

Spelling mistakes can be checked, enabling documents to be free from spelling errors.

## Print Speed

This is measured in CPS (characters per second).

## Typing Pitch

The pitch designation represents the number of characters that can be typed per inch.

## Decimal Tabulation

This facility automatically positions the carriage for alignment of numbers at the decimal point.

## Word Processor Features

Word Processors offer all the benefits of an advanced typewriter but with the additional features of larger displays and a bigger memory capacity. The memory of all our Word Processors can also be expanded by the use of an external 3 1/2 inch floppy disk.

## Block Copy/Move/Delete

Blocks of text can be copied, moved or deleted to allow simple and quick editing.

## Search and Replace

This enables editing of a specific word or phrase throughout a piece of text in one single operation.

## Address/Mail Merge

A list of names and addresses can be merged with a letter, this enables you to provide personalised correspondence easily.

## Autospell

If a word is misspelt this facility provides alternatives and automatically replaces them.

## MS Dos File Format Compatibility

This allows storage of information in DOS format to enable data exchange with PC's. We have a wide range of office equipment for your office or your home, so let Argos take care of it.

## Argos Mail Order Service

To cater for all your needs we also offer a mail order service for ribbons, daisy wheels and software accessories on typewriters and word processors. Simply call 061 976 4505 (24 hours) for credit card holders, or alternatively pick up an order form from your Argos store. No stamp is required.

## Extended Guarantees

For added peace of mind why not take out an Argos 3 or 5 year Extended Guarantee.

See page 3.

	1 YEAR COVER	5 YEAR COVER
Word Processor	885076 £499	185076 £1199
Typewriter	845041 £249	845074 £399

## Free Accidental Damage Cover

Cat. No. 550/5067 £175.00

Batteries are not supplied (must be purchased separately)

All electrical items on these pages that are supplied with a cable are fitted with a plug

**Argos** offers a wide range of telephones and to help you choose, we have explained the features available. All Argos phones need a plug-in type socket. If you do not have this type of socket, contact British Telecom and enquire about conversion.

## Features guide

### Memories

You can store your frequently used or important numbers, and recall them at the touch of a button or two.

### Last Number Redial

The telephone can automatically re-dial the last number you dialled, which is very useful when a number is engaged.

### Mute (Secret) Button

This allows you to speak to other people in the room without being overheard by your telephone caller.

### On Hook Dialling/ Hands Free Speech

"On Hook Dialling" enables you to dial without lifting the receiver. A speaker allows you to hear when the phone is answered, then you simply pick up the handset to speak. "Hands Free Speech" allows you to speak and listen with the receiver still in place.

### Ring Equivalent Number (REN)

The number of the telephones you can connect to a line is determined by the REN of each telephone. The maximum total REN for a telephone line is 4.

### Volume Control

This allows you to adjust the volume of the telephone ring.

### PABX

PABX compatible telephones can be used with most PBX exchange or switchboard systems. Please see the manufacturer's instructions, or use the helpline for further details.

### Cordless Phones

Cordless phones allow you to receive or make calls around the home and even in the garden. You can page the handset (or use it) from the base unit, and some also have an intercom between the base unit and the handset.

The base unit must be connected to a mains supply as well as an approved telephone socket. The handset recharges whilst it is in the base unit. A battery back-up enables the telephone to be used during a power cut.

The quality of reception is unlikely to be as clear as with a conventional telephone as they are susceptible to interference from other cordless phones and radio transmissions, especially over long distances and obstructions (walls or doors). Cordless phones operate on 8 different channels - as marked on the box. Dual channel telephones have 2 channel options so you can switch the handset and base unit to the alternative channel. 8 Channel Automatic Scanning - cordless telephones will scan all of the 8 available channels to provide the best reception when a call is made. Should interference occur during the course of a call the operating channel can be changed by pushing a button on the handset. **Compander/Digital Noise Reduction** - is now available on many newer cordless phones offering improved reception by filtering out background noise. Cordless phones are also available as combination units with an answering machine or speakerphone in the base.

### Network Services

If you have a dual signalling (Pulse/Tone) or Touch Tone telephone, you will be able to use the new BT "Network Services" including call diversion, 3-way calling, reminder calls and call waiting. These additional services are available from BT for a quarterly rental charge, please contact your local BT office for further information.

### Mercury

You can now use the "Mercury" network from your home via a British Telecom line. For a small annual fee you will receive your own PIN code giving you access to cheaper long distance and international calls. A "Mercury" button will allow one-touch dialling into the Mercury system. Other "Mercury compatible" telephones enable programming of the sequence into a normal memory. Please phone the Mercury Helpline 0500 500 194 for further details.

## 3 and 3 year Extended Guarantees available, see page 3.

ANSWERING MACHINES WITH TELEPHONES FROM ONLY £39.50

197

# A GUIDE TO

# answering machines

An answering machine will record messages and many include a handset for use as a normal telephone. To install your machine you need a 13 amp mains socket near to a plug-in telephone socket. A separate answering machine may also need a telephone socket doubler to connect alongside your telephone. This is indicated in the text where necessary.

## Cassette Tapes

Most machines use a micro, rather than a standard size cassette.

## Digital Outgoing Message

Your outgoing message is recorded onto a digital voice chip, avoiding the need for the tape to shuttle between the outgoing and incoming messages, thus cutting down on the waiting time of your caller.

## Digital Voice Prompt

A digital voice will guide you through the various operations, and give you information such as the number of calls received.

## Day/Time Stamp

This records the exact time and day of all incoming messages.

## Memo Facility

You can leave a message on your machine for someone else to access on their return.

## Call Screening

This allows you to listen whilst the answering machine takes your call, and choose whether or not to answer personally.

## Answer Only Option

The answering machine can answer a call without taking a message. This is useful if you are away for several days.

## Two Way Conversation Recording

This allows you to record a telephone conversation, and can be useful when listening to directions or instructions.

## Branch Phone Reset

Your answering machine will stop and reset automatically when you intercept a call on another extension.

## Remote Message Retrieval

You can check your calls even while you are out. Using a 'Touch/Tone' telephone (which produces a variety of tones as you dial) or a remote control device, tone retrieval activates your answering machine to play back any recorded messages. Some machines can also execute other remote functions such as changing the outgoing message. TouchTone is a BT registered Trade Mark.

## Call Count

This will display how many calls have been recorded usually on an LCD panel or by a flashing LED.

3 and 5 year Extended Guarantees available, see page 3.

2. ROYAL COZYHOMES 16 INCH FARMER GAS FIRE. With black front and brass trim. Real flames, instantly adjustable heat and easily accessible concealed controls. Push button ignition, ashtray light. Size 16 x 10 x 23 1/2 inch high. With flame failure safety device. B.E.A.B. approved, tested to BS5728. See suitable for Class 2 chimneys or precast flues.

Cat. No. 415/5143 £169.99

3. CONSOFT "CORSAIR" 2kW CONVECTOR HEATER. 2 heat settings. 1kW or 2kW. Free-standing or wall mounted. Size 10 1/2 x 7 1/2 x 17 1/2 inch high. B.E.A.B. approved.

Cat. No. 415/5016 £19.75

**PRIOR TO PURCHASE:** We recommend that this inset gas fire (item no 2) is used in conjunction with the "Farham" fire surround (item no 1). If an alternative surround is used, it must have a non-combustible back panel and hearth.

**NB:** The distance between the mantelpiece (if 8 inch thick) and the top of the fire must be in excess of 6 inch. The chimney must be of a Class 1 construction and we recommend that it is swept prior to installation.

Gas appliances should only be connected by an approved CORGI installer (Council for Registered Gas Installers) who will undertake gas work, final connection, and safety checks.

For any queries regarding this fire please phone 0252 730983 during office hours. For installation, please telephone 0783 536235 or contact your local CORGI installer.

4. GLEN 971 CONVECTOR HEATER. 2kW. Thermostat control with "frostguard" setting. Floor standing or wall mounted. With wall mounting brackets. Overheat safety cut-out. B.E.A.B. approved. Size 22 1/4 x 7 1/4 x 16 1/4 inch high.

EXTRACTOR FANS

**12** £53.99

**IONISERS** - help to create a healthier environment by restoring the balance of negative ions in the air. They help to remove "pollutants" such as dust, smoke and pollen, giving the air a fresher, cleaner feel and may help sufferers of hay fever and asthma.

**AIR PURIFIERS** - help to clear the air of smoke, pollen and dust by the use of multi-stage filters leaving it fresher and cleaner.

**AIR SYSTEMS** - are ionisers and air purifiers combined.

**EXTRACTOR FANS** - pull stale indoor air outside, removing dust, moisture, odours and pollutants.

**EXTRACTOR FANS**

Item nos 10-12 have a back draught shutter, and comply to the 1990 New Building Regulations. Item nos 11 and 12 have a manufacturer's 2-year guarantee.

Please note the thermal  
insulation (warmth) of a duvet is  
expressed by the term "tog". The  
higher the tog rating the warmer  
the duvet. The British Standard  
maximum tog bands are as  
follows: 4.5 tog, 6.0 tog, 7.5 tog,  
9.0 tog, 10.5 tog, 12.0 tog and  
13.5 tog. All our duvets conform  
to the tog bands in BS5435

17. NECK SUPPORT PILLOW. Specially  
contoured foam pillow shaped to  
maintain the spine's natural profile.  
Alternative support levels and a soft

**£7.99**

DOUBLE. Size 54 x 75 inch approx.

Cat. No. 102/0231

**£9.99**

16. WATERPROOF BED SET. Single size.  
Comprises a mattress protector, one  
pillow protector and a duvet protector.  
Will protect your whole bed from any  
liquid spillage and therefore staining at  
all. Dust mites are a major contributor to  
the symptoms of asthma and other  
allergies. As the waterproof bed set is  
made from non-allergic and non-  
permeable material it helps to keep dust  
mites from breeding. It is suggested that  
you vacuum your mattress thoroughly  
before using the mattress protector.

Cat. No. 103/1274

**£12.99**

**ONLY £7.99**

Combines a fully fitted underblanket with a mattress cover for maximum warmth. All-night use and pre-heating facility with extra foot warmth. For mattress depth 11 inch spillover.

2 £49.95

**Fleece**

**FLEECE FITTED MATTRESS COVER**  
Combines a fully fitted underblanket with a fleece mattress cover for maximum warmth. All-night use and pre-heating facility with extra foot warmth.

## FOR YOUR INFORMATION

### DUAL CONTROL

Some of the double underover blankets featured have dual controls. This enables the two sides of the bed to be at different heat levels, according to personal need.

### HEAT LEVELS

All our electric underover blankets have 3 or more heat levels. The higher the number, the higher the temperature.

### ALL-NIGHT USE

Under/Over Blankets: All electric under/over blankets, B.E.A.B. approved, are suitable for all-night use, plus the normal full pre-heating facility. All our electric blankets have full overheat protection.

  - 2.2lb food capacity
  - Hermetically sealed lid with anti-odor charcoal filter
  - Variable thermostat
  - Safety rise & fall basket
  - Condensation collecting container
  - Temperature control light

To cater for all your needs, we also offer a mail order service for replacement fryers for Moulinex, Tefal and De'Longhi fryers. Simply call 061-976 4505 (24 hours) for credit card orders or alternatively pick up an order form from your Argos store.

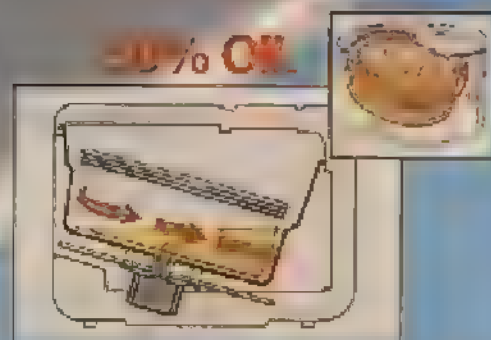

All electrical items on these pages are fitted with a plug.

Here's an Extraordinary idea to save cooking oil and lighten your fried food. DeLonghi Rotofryers have a unique angled basket which rotates - it cooks by dipping the food in the oil and allows a full 2lb load of chips to cook in just over one litre of oil. And with the cooler wall FPEC model there's another Extraordinary feature. When the oil has cooled, just drain it straight back into the bottle. So easy you'll be able to keep your fryer clean by emptying the oil every time.

#### ROTOFRYER FPEC

- Full capacity, half the oil
- Oil drains system
- Cooler wall body
- Rise and fall basket operated from outside
- Sealed lid
- Thermostat to avoid oil overheating
- Twin filter system with "change filter code"
- Push button lid opening
- Cord storage

Cat. No. 421/4108 £69.95

#### ROTOFRYER RFE

# A GUIDE TO

# microwave ovens

To help you choose we have explained a little about microwave ovens and their benefits.

- Microwave ovens can be used for most types of cooking, for defrosting, and for reheating pre-prepared foods.
- Cooking by microwave is up to 75% faster than a conventional oven and, as less energy is used, is more economical.
- Food cooked in a microwave oven remains nutritious and tasty since the food is cooked so quickly that it retains more of its goodness, with less loss of vitamins and minerals. Most food can also be cooked without the addition of fat.

Microwaves produce heat by friction, caused by the moisture molecules in food vibrating against each other very quickly. Microwaves penetrate the food surface and the heat is then transferred to the centre of the food by means of conductivity, hence the need to allow for standing time and stirring.

## Quality and Safety

All our microwave ovens conform to both British and International Electrotechnical Commission Standards of Safety. They are also appraised by our own Quality Control Department. Most new microwave ovens now display a label relating to the new heating instructions on small food packs (eg ready-made meals for 1 or 2 people).

This is an example of the oven label:-

The Food Defrost Symbol

oven power output

500W 600W 700W 800W

less heating time more heating time

heating category for small packs

A B C D E

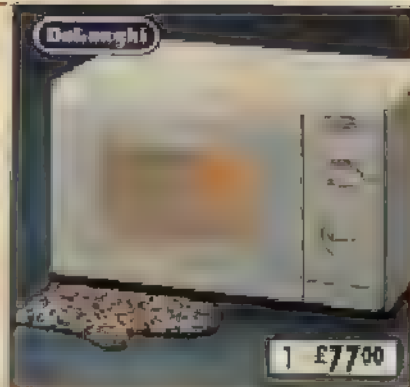

less heating time more heating time

By matching up the information on the food pack with that on the oven, you will be able to calculate more accurately the heating time required. For further information please call the Independent Food Safety Advisory Centre on 0980 383407. \*Reproduced by permission of HAFF from "A Guide to the new Microwave Labels".

- Allow sufficient standing time after cooking for heat to pass to the centre of the food.
- If possible, stir or rearrange food halfway through cooking, reheating or defrosting to ensure even heating.
- Reheating of food must be carried out at a temperature higher than 70°C for at least 2 minutes.
- Food straight from a refrigerator is colder than room temperature and allowances should be made when calculating cooking times.
- All instructions for microwave cookery are to be used as a guide, foods may require slightly more or less cooking, reheating or defrosting time.
- Always follow manufacturer's instructions and any cooking instructions on the food pack.

# A GUIDE TO microwave features

**This features guide** explains some of the key functions you may wish to consider before you purchase your microwave oven.

**Size/Capacity**

The interior capacity of a microwave oven is measured in cubic feet, this can be used as an indication of the amount of food which can be cooked, defrosted or reheated. Our microwave ovens range from 0.55 cu ft, which would cater for smaller quantities, up to 1.12 cu ft.

**Controls**

All our ovens are controlled by either a dial or, for more accurate timing - and programming, by key pad. All have timers, automatically switching off the cooking cycle once cooking is complete.

**Output Power/Wattage**

The higher the wattage, the more powerful the microwave oven so the faster it will be able to cook.

**Turntables**

All of our microwave ovens have rotating turntables to ensure even cooking. Some have special booming turntables which return to the original starting position when cooking is finished - which is useful for removing handled pots from the oven. All turntables are removable for easy cleaning.

**Grills**

Some microwave ovens have a grill, which will brown and crispen food whilst combining the speed and convenience of a microwave oven. Grills can be used simultaneously on some of our models. (See individual products for details.)

The following features are exclusive to key pad operation models only:

**Sequence Cooking**

This feature allows you to programme the oven to cook at different power levels for different lengths of time, in sequence, enabling you to automatically defrost, cook and keep food warm until you are ready to eat.

**Programmable Memories**

Some microwave ovens have a memory facility which enables you to store your most used setting of defrosting, cooking or reheating.

**Delay Start**

This allows you to delay the start of your cooking while you are out, so that your meal is ready when you arrive home.

**Auto Weight Defrost**

Simply key in the weight, type of frozen food and the power level, and the defrosting time will automatically be calculated for you.

**Auto Weight Cook**

Simply key in the weight, type of food and the power level, and the cooking time will automatically be calculated for you.

**Auto Defrost**

This feature means that the power level is gradually reduced in stages to ensure that food is thoroughly and evenly defrosted.

All electrical items shown on these pages are supplied fitted with a plug.

All microwave ovens have a minimum 1 year manufacturer's guarantee. However, for added peace of mind you can take out an Argus 3 or 5 year Extended Guarantee. See page 3 for details.  
3 year cover 88510173 £23.99  
5 year cover 88510478 £39.99  
We also offer Free Accidental Damage Cover, see page 3 or ask in-store for details.

**HELPLINE**

If you have any queries about your microwave oven, please call the appropriate helpline during office hours.

# A GUIDE TO

# combination ovens

Combination ovens combine the versatility of a microwave, grill and convection oven all in one. You can use a combination oven as a microwave, grill or convection oven. This gives you the speed and efficiency of a microwave, with the advantages of an ordinary convection oven - which brings out the flavour, browns, and crisps your food.

Most foods can be cooked in

combination mode, but combination ovens are particularly good for roast meat and poultry, cakes, vegetables and baked desserts.

Should you have any queries about your combination oven, please call the appropriate

helpline during office hours.

## REFERENCE GUIDE

- |                       |                        |
|-----------------------|------------------------|
| (E) ELECTRIC          | (M) MICROWAVE          |
| (G) GAS               | (D) DISHWASHER<br>SAFE |
| (S) SOLID<br>HOTPLATE | (H) HALOGEN<br>HOB     |
| (C) CERAMIC           |                        |

(D) Much of the cookware sold by Argos is  
dishwasher safe (see symbols). Continued  
use of certain types of product at very high  
temperatures may reduce their life expectancy.  
Please refer to your manufacturer's instructions  
regarding use in a dishwasher. Always condition  
non-stick surfaces lightly with vegetable oil after  
use in a dishwasher.

**COATINGS**  
There are a variety of non-stick coatings on  
cookware sold by Argos. As a rough guide  
the more layers the coating  
consists of, the longer lasting it  
will be. Listed above are the  
types of non-stick coatings and  
their number of layers.

Watches that are designated "shock proof" are suitable for wearing while water is being splashed but are not water proof. All watches are guaranteed to be waterproof.

Watches designated "water resistant" are suitable for wearing while swimming for a short period.

All quartz watches are powered by batteries for their power source.

Our watches offer a variety of beautiful movements. Many more may be found in the catalogue. Please visit our website for more information and details.

**OR THE POPULAR** 18 long stem single carnations with added greenery  
★ Fresh flowers delivered anywhere in the UK direct from Jersey by air class post.  
★ Personal message card (up to 10 words)  
★ Includes flower food, care instructions, gift packaging and delivery

To order, call our Flower Hotline number on 0534 865633 quoting your credit card or Argos Personal Account number and reference ARG-CA-41A. Lines open Mon-Fri 9am-6pm, Sat 9am-5pm.  
Alternatively send in the coupon on page 433 and send with your cheque/postal order payable to Flying Flowers Argos Personal Offer, Flying Flowers, PO Box 373, Jersey JE4 4UG.  
Although the flowers are delivered by first class post the exact delivery date cannot be guaranteed. It is a law for specific flowers required by date. Please allow 10 days from placement of order. The closing date for Mother's Day orders is 1st March 1994 and will be delivered from 7th March 1994. The closing date for Easter orders is 28th March 1994.  
Please note when ordering, the two references are:

**120633** One dozen assorted carnations.  
**120634** Eighteen carnations with greenery.  
Flying flowers are delivered "in bud" so they last longer. After purchase state "in the event of any carnations unopened within 7 days of receipt, we will replace the bouquet to the same value as ordered or refund in full". This product is excluded from the Argos 14 day money back promise.

One box of 12 carnations  
**ONLY £9.75**  
One box of 18 carnations

Cat. No. 4409607 £28.50

#### BEAUTRONIX LEAN MACHINES

Electronic muscle stimulator. Exercises specific areas of the body. Toning and firming. Helps smooth out bulges and tighten flabbiness, while you relax. Low level voltage eases muscle strain and tension. For best results, use in conjunction with a calorie controlled diet. Supplied in storage case with instructions, and demonstration video. Customer helpline: 0173 495111. Not suitable for people who are pregnant or suffer from heart disorders.

#### ARGOS SUPERSTONES ONLY

**BEAUTRONIX LEAN MACHINE.** COMPACT. Four pad, battery operated version for use at home or away. Batteries supplied.

Cat. No. 4410531 £49.50

**12. BEAUTRONIX LEAN MACHINE.** 1m pad, with "soft start" system control and 240V ac mains adaptor. Mains/battery powered. (Batteries not supplied).

Cat. No. 44109212 £94.50

#### ARGOS SUPERSTONES ONLY

**CARMEN FACIAL SALINA.** Developed to aid temporary pain relief, help increase mobility of stiff, aching joints and muscles, and aid relaxation. Combines vibratory massage with soothing penetrating infra-red sound waves that reach deep into the muscle. The effect felt on the skin will be gentle. This is quite normal and does not minimise the effectiveness of the infra-red massage. Features include 4 applicators, long handle with flexible "neck" joint for difficult to reach areas and variable intensity control dial. Can be used in conjunction with your favourite oil or moisturiser and is ideal for foot reflexology. Supplied complete with storage case and 240V ac mains adaptor. Not suitable for people with varicose veins.

Cat. No. 4410146 £49.50

5 TO BE WON EACH MONTH

**BRAUN Oral-B**

30 day Plaque Removal Guarantee

For further details see page 456

**TAKING CARE OF YOUR SHAVER**  
Please see page 454 for details.

**TO GAIN MAXIMUM SHAVING PERFORMANCE**  
Due to the sensitivity of your skin, you should allow approximately 2-4 weeks for it to adjust to your chosen shaver.

**ARE YOU TAKING YOUR APPLIANCE OVERSEAS?**  
If so this simple guide may help:

- If your appliance has **automatic or universal voltage** there is no need to make any adjustment.
- If your appliance has a **fixed voltage** switch you will not need to change the setting for European countries, most of which have 220-240 voltage supply systems, although an adaptor would be required (see page 45). However, if you take your appliance to the USA or Japan, you will need to change to the 110-130 volt setting. Please take great care to switch back to the 220-240 volt setting on your return to the UK or other European country.

#### ADAPTORS

Several shavers are designed as being chargeable from a 12-24V dc supply. This can be achieved only in conjunction with an optional adaptor, available mail order service.

#### SHAVING TIMES

Times are approximate and are based on an average of 3 minutes shaving per day. They are also dependent upon the strength and thickness of the beard.

#### HELPLINES

A mail order service is available for replacement foils, cutters and other accessories for shavers, plus replacement brush heads on Braun dental products. Credit card orders Tel: 061-976 4505 (24 hour service) or get an order form in-store. No stamp required.

**453**

**TAKING CARE OF YOUR SHAVER**  
In order to prove the efficiency of your shaver, regular thorough cleaning is required in accordance with the manufacturer's instructions. Foils and cutters should be replaced regularly.

#### TO GAIN MAXIMUM SHAVING PERFORMANCE

Due to the sensitivity of your skin, you should allow approximately 2-4 weeks for it to adjust to your chosen shaver.

#### ARE YOU TAKING YOUR APPLIANCE OVERSEAS?

See page 454 for voltage details.

#### ADAPTORS

Most shavers can be used on being chargeable from a 12-24V dc supply. This can be achieved only in conjunction with an optional adaptor. These are available via our mail order service.

**35MM CAMERAS FROM ONLY £9.99**

Camera lithium batteries are available via mail order, see page 474 for details.  
Batteries are not supplied unless otherwise stated.

# A GUIDE TO cameras

**M**ost cameras are fitted with additional features to give greater flexibility when taking photographs. Some key features are explained below.

## Flash

A built-in flash works directly off the camera batteries and is usually effective for up to 15 feet. A low light indicator shows when to turn the flash on.

An Auto/Sensor flash will work automatically when there is insufficient light.

On some cameras, a sensor flash can be turned off for atmospheric shots, or used as "fill-in" flash when the subject is in the shade or against a bright background.

**Red-Eye Reduction** utilizes a light or pre-flash to contract the subject's pupils to avoid "red-eyes".

## Motor Drives

**Motorized load** automatically winds the film to the first frame ready for use. After each shot,

**Motorized advance** automatically winds the film onto the next frame. At the end of the film, **motorized rewind** will rewind the film ready to take out.

## Auto Focus / Focus Lock

Basic cameras have a fixed focus, which does not vary depending on how far away the subject is. Cameras with auto focus automatically focus on the subject in the centre of the viewfinder. "Focus lock" allows you to focus on your subject and then recompose the shot, still holding your subject in focus.

## Auto Exposure

The aperture varies to give the correct exposure for differing light conditions. On more sophisticated cameras a **programmed shutter** automatically adjusts the shutter speed. A **backlight compensation** facility allows for bright backgrounds such as snow or sand.

## Zoom Lens

This allows you to bring the subject closer and frame the shot as required without having to move. The bigger the zoom (measured in millimetres) the nearer the image, and so the larger it will appear.

## Twin Lens

This enables you to choose between normal or a close-up shot depending on how you wish to frame the subject.

## Macro Facility

This allows you to take clear, focused close-up shots.

## Infinity

This feature is used when taking long distance shots or for shooting through glass with an auto focus camera.

## DX Coding

The camera will automatically adjust to the speed of film you are using.

## Self Timer

This enables you to set the camera to take a photograph approx 7 seconds later, so that you can be in the shot as well! A dual self timer takes two pictures in succession whilst a special multi-frame self timer allows you to take up to four consecutive shots.

## LCD Panels

On sophisticated cameras, these show the current function status,

e.g. selected flash, focus mode, battery level and number of pictures taken.

## Data Back

This allows the option of data to be printed on the face of your photograph enabling you to remember when the picture was taken and is available in two forms:

1. A manual data back will print the month and year if required.
2. A quartz data back offers a clock facility with LCD display and will print time/day/month/year if required.

## Panoramic

This facility produces special "stretch" prints to create incredible scenic views or artistic compositions. These cameras either utilise an adaptor which is inserted prior to loading the film, in which case the whole film must be shot in panoramic mode, or a switch mechanism which will allow for shots to be mixed on the same film.

**N.B.** Films containing mixed exposures will incur additional processing cost and we recommend that you advise the processor before having the film developed. Non-mixed exposures i.e. all panoramic exposures are also more expensive and you should ensure that the processor has the capability to print these type of photos before they are submitted for developing.

## MOTOR DRIVE

INCLUDES BATTERIES & CASE

PENTAX 100 35MM COMPACT CAMERA

# A GUIDE TO

# camcorders

A camcorder allows you to capture action in sound and vision. It gives high quality home video recordings and has a wide range of features to give you greater flexibility. To help you choose, our guide below explains some of the technical terms and features.

## Tape Formats

There are 2 camcorder formats, using different types of tape.

**8mm tape** is a small cassette which gives up to 90 minutes recording, or 3 hours with long play. Tapes are played back by plugging the camcorder directly into your TV or video recorder using the leads supplied. Recordings can be edited onto VHS tapes via a video recorder.

**VHS-C** is a compact tape which can be played in your VHS video recorder, using the special adaptor supplied with all of our VHS-C camcorders. They give up to 45 minutes of recording, which can be extended to 90 minutes with a long play facility.

VHS-C tapes can also be played back by connecting the camcorder directly into a TV or video recorder 21 pin SCART socket. If you do not have a video recorder or 21 pin socket TV, you will need to buy

an RF lead and adaptor - available from Argos Mail Order Services (telephone 061 976 4505 or ask in-store for details).

## Feature Guide

### Power Zoom

This gives a smooth zoom-in action for close-up shots. The greater the zoom, the greater the magnification.

### Full Range Auto Focus

This ensures that the subject stays in focus, no matter how close or far away.

### Intelligent Auto Iris

The auto focus facility works through the lens to give clearer shots and a better colour balance.

### Programme Scene Auto Exposure

This control ensures the auto exposure is correct for different environments (sports, s/c, twilight, parties or portrait).

### Macro

A macro facility allows clear and focused close-up recordings.

### Shutter Speed

A variable shutter speed allows slower speeds in low light conditions, whilst a high speed shutter gives clear shots for high speed action.

### Lux Illumination

The lower the lux minimum illumination, the lower the light conditions in which the camcorder can still effectively record.

### Fader

This allows you to smoothly fade in and out of different shots.

### Flying Erase Head

When recording over old scenes this gives a cleaner transition from old to new recordings.

### Title Memory

Title or dates can be superimposed onto recordings as a permanent reminder.

### Edit/Camera Search

Previous recordings can be viewed through the camcorder for editing or to find the correct position to resume recording.

### Long Play/Record

This feature allows you to record and play back for twice the normal time, ie 3 hours on a 90 minute tape.

### Infra Red Remote Control

This allows you to operate the playback features of your camcorder from the comfort of your armchair.

### Insert Edit

This allows a new recording to be inserted between existing scenes.

For any queries about your camcorder please ring the appropriate helpline during

office hours.

Binoculars are useful for a variety of hobby and leisure activities. They help amateur or nature observer sports fans eager to capture a race finish or get closer to the action and concert/theatre goers who want a close-up view. Many binoculars featured have coated lenses to improve image brightness. Some are compact and fit easily into a pocket or handbag. Most have fold-down rubber eye-cups allowing spectacle wearers to fold-back the eye-cups and get closer to the eye-piece to see a clearer image.

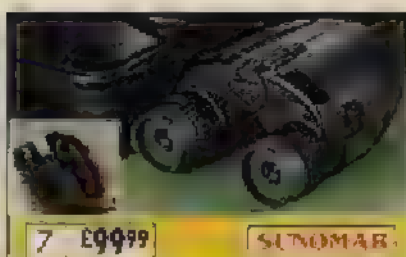

### £5 SUPERSTORES ONLY

Cat. No. 535/6758 **£11.49**

If you are looking for a large screen or portable television, Argos has a wide range for you to choose from with a variety of features.

## Feature Guide

### IST

This stands for "fatter square tube", which gives you improved definition, a wider viewing angle and less light reflection.

### Teletext/Fastext

This gives you up-to-date information on a wide range of subjects such as travel, news, sports and television programming. Teletext also gives subtitles on selected television programmes. Fastext is an updated system to give you quicker access to your chosen page of information. In order to ensure satisfactory text reception it is recommended that portable teletext TVs are used in conjunction with an external aerial.

### SCART Socket

A SCART socket when used in conjunction with SCART leads gives an easy connection between your television, VCR, audio system or satellite receiver dish. SCART leads can also be used to connect your Camcorder to the TV to play back recordings.

### Sleep & Wake-up Timers

Particularly useful if you want to watch television in the bedroom, you can programme the timer to switch the television set to standby automatically, after you have fallen asleep. A wake up timer acts as an alarm clock.

### NICAM

NICAM is a high quality digital audio signal which is transmitted simultaneously with television pictures, giving a similar sound quality to compact disc. To receive the stereo NICAM signal a television or video must incorporate a NICAM receiver which picks up the signal through your existing TV aerial.

### TELEVISION SIZES:

Television sets have always been described by the nominal size of the glass tube across its greatest diagonal. The figures shown in brackets eg (V14cm) refer to the actual viewable picture diagonal. For EFT sets which are normally quoted in cm we have rounded to the nearest inch for ease of comparison. Batteries are not supplied unless otherwise stated.

A NICAM video recording must then be replayed through a NICAM or Stereo TV to maintain the stereo sound.

### On Screen Display

A visual display on the TV screen will show which channel you have tuned to, or any adjustments to the volume or colour.

### Extended Guarantee

All our televisions have a 1 or 2 year manufacturer's guarantee, but for added peace of mind you can buy an Argos 3 or 5 year Extended Guarantee. We also offer Free Accidental Damage Cover. See page 3 for details.

### Argos Personal Accounts

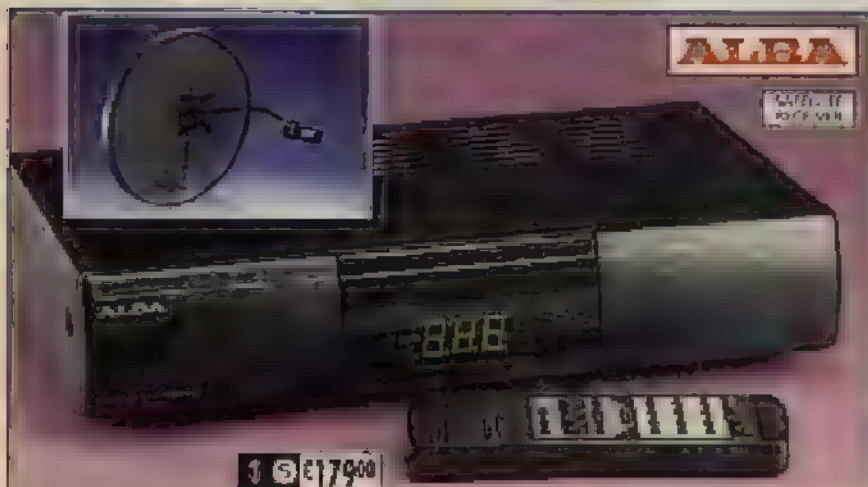

Spread the cost of a new television with an Argos Personal Account. See page 2 for details.

For any queries about your TV please ring the appropriate telephone number during normal office hours.

# A GUIDE TO

# video recorders

All our VCR's allow you to record one programme whilst watching another. We also sell video players for watching pre-recorded videos, but these cannot be used for recording.

## Programming

VCR's are programmed to record by using a remote control handset. Many have a visual LCD panel on the handset or an on-screen display showing the details entered.

## Event Timer

You can programme most VCR's to record a number of events over a period of weeks.

## Twin Speed

A twin speed (or "long play") facility allows the VCR to record and then play back at half the usual operating speed. The on-screen image appears as usual, but the recording time of a tape is effectively doubled. This gives 8 hours of recording on a 4 hour tape, however the quality of the recording may not be quite as good as when recorded at normal speed.

## NICAM

NICAM is a high quality stereo sound signal. To receive the stereo signal, NICAM televisions and VCR's incorporate a NICAM receiver which picks up the signal through your existing TV aerial. A NICAM video recording must then be replayed through a NICAM or Stereo TV to maintain the stereo sound.

## Extended Guarantee

All our VCR's have a 1-year manufacturer's guarantee, but for added peace of mind you can also take out an Argos 3 or 5 year Extended Guarantee.

We also offer FREE ACCIDENTAL DAMAGE COVER. See page 3 for details.

1 YEAR COVER 3 YEAR COVER  
£11.90/£15.99 £12.99/£17.99

## Argos Personal Account

Spread the cost of a new VCR. See page 2 for details.

# A GUIDE TO

# audio features

To help you choose, we have explained some of the technical terms.

## Features Guide

### Digital Tuners

Phase Lock Loop (PLL) digital tuners seek out stations by searching the whole waveband automatically for the next strongest signal.

### Pre-set Buttons

You can select your favourite stations to be recorded in the memory, and then recall them at a touch of a button.

### Dolby B & 'C'

Dolby is a noise reduction facility that reduces the hiss when tapes are played, especially on "quiet" music. Dolby 'C' is the enhanced version of Dolby 'B', giving even clearer sound reproduction.

### Relay Play

This allows the second tape on a twin tape deck to automatically take over when tape one has finished.

### Auto Reverse

When your tape has finished, the cassette player automatically plays the other side.

### High Speed Dubbing\*

On twin tape decks, this allows faster tape copying usually at twice normal speed.

### Graphic Equalisers

This allows you to "shape" the tone of the music being played by increasing or fading particular sounds.

The greater the number of bands, the more precise the equaliser.

### Spectrum Analyser

This provides a visual display of the sound level in the form of "dancing lights", enabling you to make fine adjustments to sound and tone levels.

### Compact Disc

Compact discs provide the most accurate sound reproduction available.

On CD midi systems, a search button allows you to select which tracks you want to hear. A memory facility allows you to programme a sequence of tracks in any order.

### Turntables

Best driven decks ensure a constant rotational speed.

Fully automatic decks place the stylus on the record for you, and return it after the record ends. Semi-automatic decks only return the stylus, you have to place it on the record.

### Speakers

Within each speaker is a series of either 2 or 3 cones (known as "2 way" and "3 way" speakers). 3 way speakers usually give a better quality of sound.

Active speakers for use with personal CD's and stereos have their own power source to further amplify the sound.

### Music Output

The higher the number of watts the greater the capacity of the amplifier and the louder the sound will be. 2 x 20 watts music power means that there are 2 speakers with a maximum music output of 20 watts per speaker. Manufacturers generally express the potential maximum volume in one of three terms:

As a comparison  
1w RMS = 2w MPO = 4w PMPO

\* The recording and playback of certain material may only be possible by permission. Please refer to the Copyright Designs and Patents Act 1988 and the Performers Protection Act 1958-72.

+ **Dolby is a TRADEMARK of Dolby Laboratories Licensing Corporation.**

# A GUIDE TO

# car audio

We sell a wide range of car stereos. Many of the functions are similar to those on hi-fi equipment, additional features include:

## Tuner

On 4-speaker systems you can adjust the sound balance between the front and back speakers.

## Auto Seek Tuning

The radio automatically seeks out the next strongest signal on a waveband.

## Radio Data Systems (RDS)

RDS displays the station name and maintains your chosen station automatically when

travelling through different reception areas.

## Extended Other Network (EON)

EON automatically interrupts your listening with travel bulletins when they are broadcast.

## Extractable Units

Some units are designed to be easily removed when you leave your car and then on return simply slot into place for play. Please note, there are 2 sizes of

car radio/cassettes. The latest, DIN E, will fit most cars built after 1983. DIN D will fit almost every car. Post 1983 models may require an adaptor plate. Please refer to your vehicle specification manual.

For any queries about car audio please call the appropriate helpline during office hours.

Goodmans	0532 846613

# A GUIDE TO child safety

**A**t Argos we sell a wide range of safety products which can help give you that extra reassurance and peace of mind.

As your toddler begins to develop, there is a whole range of toys to buy. By following some key points you can make sure playtime is great fun for them as well as being safe.

- ▲ Always read the manufacturer's leaflet and retain for future reference.
- ▲ Make sure the toy is right for the child's age and ability - check the age recommendation before you buy.
- ▲ Keep older children's toys out of reach of young children and babies.

The following pages show some essential items which can help you make your home safe for baby. We have drawn up some key points in conjunction with **ROSPA**, the Royal Society for the Prevention of Accidents.

- ▲ Fit a safety gate at the top and bottom of the stairs and keep stairs and landings clear of toys.
- ▲ Use a baby monitor to keep in touch with your child around the home, but remember there is no substitute for supervision.
- ▲ Use a fireguard securely fixed to the wall wherever you have a gas, electric or open fire.
- ▲ Make sure the side of the cot is securely fixed when your child sleeps and use a ventilated mattress.

When travelling by car there are certain points you need to remember to make sure the drive is safe as well as comfortable for your child.

- ▲ Check the child restraint is correct for the age and weight of your child and that it conforms to the appropriate British or European standard.
- ▲ Always read the manufacturer's leaflet as your child's safety depends on correct installation. If in doubt, check with your local Road Safety Officer.
- ▲ Check the child restraint harnesses each time you travel to ensure your child's comfort and security.

There is a wide range of child restraints which fit most car models on the following pages. Some child restraints may require fixing kits - check with your local dealer prior to fitting.

## PUSHCHAIR DO'S AND DON'TS

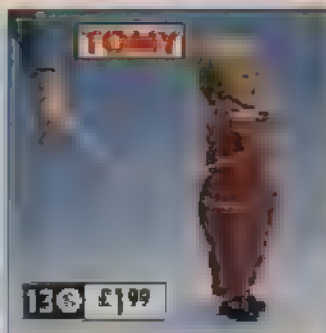

**DON'T:** Carry additional children in/on pushchair. Hang shopping from handles or carry shopping in locations other than the shopping tray provided. Leave child unattended in pushchair. Allow child to operate your pushchair or use it as a toy. Machine wash pushchair seat unless it is advised in the instruction leaflet. Force pushchair into folded position - refer to the instruction leaflet if any difficulty.

**DO:** Ensure pushchair is correctly attached with primary catches in place before use. Return seat to the correct position, parallel to the handle (where appropriate) before folding. Ensure child wears a safety harness correctly fitted/adjusted. Ensure that child (and any other nearby children) are clear of moving parts before making any adjustments. Folding or unfolding. Take care when loading pushchair into a car boot that it is not crushed. Check regularly that all joints, fixings, straps and catches etc., are secure in full working order.

Batteries are not supplied unless otherwise stated. Due to the nature of Ni-cad rechargeable batteries it is possible that the first charge from new will not produce 100% capacity and may give less running time than before charges. Optimum performance is often obtained from the battery after the 3rd or 4th charge.

# just why we are the premier incentives company in the U.K.

**O**ne of our clients recently had us blushing with pride. "If anyone can rest on their laurels," he said, "it's Argos Premier Incentives." "Thanks, but no thanks," we replied.

That's not false modesty. It's fact.

Since 1979, Argos Premier Incentives have grown to become the UK's leading incentive and motivation company. Since then we have never stopped listening. We have never stopped learning. And we never will.

With pride – and a rare flourish of immodesty – we can say that the magnitude of our portfolio might just surprise you.

Open it and you'll find more than paper-based incentives such as Vouchers and Tokens. Our Premier Gift Collection catalogue, a first among so-called equals, is a showcase for the branded products we offer in merchandise-based

systems. And our Premier Points Card is acknowledged as the benchmark for all other electronic motivation schemes.

If anything can match our portfolio, it's our back-up service. We have access to some of the largest resources in the UK. Our warehouse capacity, for instance, measures a formidable 2 million sq. ft.

While we're multi-faceted, we're also single-minded. Solutions are the last thing we think about: a clear understanding is the first. It is this approach which we have applied to blue-chip clients like Mobil, the Granada Group and Crown Berger Ltd.

Our new brochure explains more. It demonstrates

our belief in the principle of 'dignify first, suggest later'. And shows how, while we serve big companies with pride, we serve smaller ones without prejudice.

**0800 378898**

we've  
helped build  
customer  
loyalty  
with over  
20 million  
Cards.  
Point taken?

**T**he Argos Premier Points Collecting Card was the first ever electronic loyalty-building scheme.

To date we've issued over 20 million Cards.

They've helped to increase market share for Mobil and they could do the same for you.

If customer loyalty is your number one priority, you should be talking to the UK's premier incentive company.

### Easy to save at Mobil...

Every time you buy fuel at Mobil, Points are automatically stored onto your Premier Points Collecting Card.

There is no minimum purchase of £5 or £6 – and remember, every Point you save means more to spend at Argos.

### Easy to spend at Argos...

Spending Points at Argos is easy too. Just take your card or cards to any Argos cashier who will convert them into a cash value. Pay with Points alone or top up with cash or any other accepted method of payment – the choice is yours. For more details pick up a leaflet at your nearest participating Mobil Service Station.

# Committed to quality and safety

Most of our electrical products now come with pre-fitted plugs. See footnotes on pages containing electrical products.

We want you, our customer, to have total confidence that every item you purchase from Argos is **SAFE, RELIABLE** and of the highest **QUALITY**. We have therefore developed a large Quality Control team, fully dedicated to fulfilling

such requirements, and have many products tested at independent laboratories. All our goods, especially nursery and toy products, are subject to strict safety regulations and we take every care to ensure that all our products are safe.

All our upholstered furniture conforms to match and cigarette ignition tests.

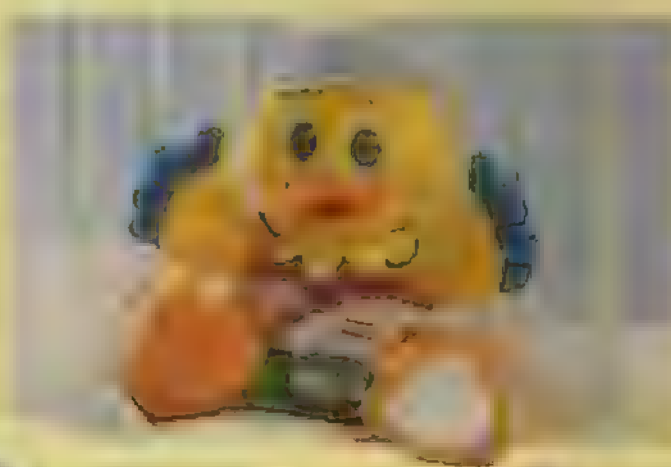

All Argos furniture containing glass is constructed to minimise the risk of serious accidents.

The lion mark is a symbol of toy safety and all Argos toys are tested for compliance with exactly the same approved safety standard.

The "CE" mark, which appears on all Argos toys, is part of a campaign by the EC to improve safety standards across Europe.

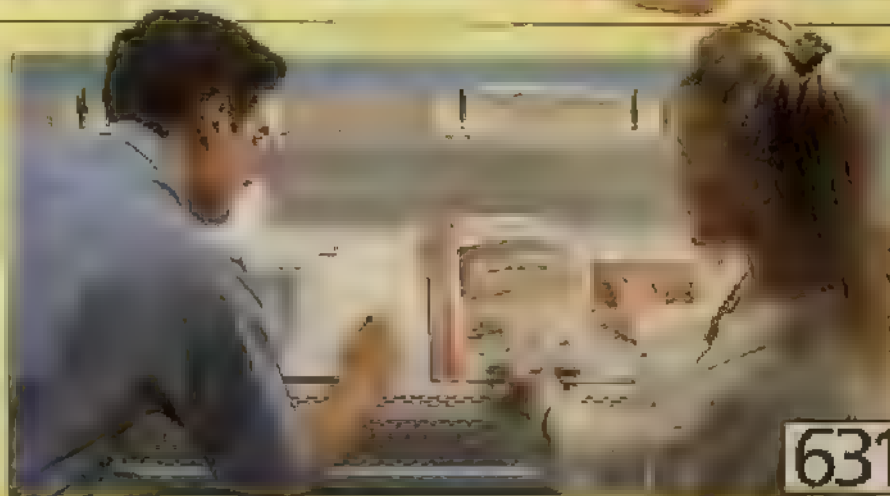

## Upholstered Furniture Selection Centre

To ensure that the item you order is exactly what you want, please see our Upholstered Furniture Selection Centre in

your local Argos store for fabric samples used in the manufacture of our furniture and garden furniture, as well as product specification.

# After sales care

The following guarantees do not affect your statutory rights.

Making sure that you are happy with your purchases both when you buy them, and after you have taken them home, is very important to us.

• See page 2 for details of the Argos 16-Day Money Back Guarantee.

• If a product develops a fault, simply return it within 30 days of purchase (with your proof of purchase) and we will offer you an exchange or a full refund.

• We will provide a free-of-charge repair facility (normally within 16 days) on products which develop

a fault and are returned to a store more than 30 days after purchase (with your proof of purchase) but within 12 months.

• Any product which develops a fault and has a manufacturer's guarantee beyond 12 months will be repaired in accordance with the terms of that guarantee.

• Many electrical appliances can also be serviced in your home, please ask in-store for details.

Argos supports the guidelines for guarantees set by the British Retail Consortium.

## Extended Guarantees for added reassurance

We offer Extended Guarantees on a range of electrical products plus FREE FIRST YEAR ACCIDENTAL DAMAGE COVER. See page 3 for further details.

# Delivery Services

To make shopping at Argos even easier and more convenient, we offer the following delivery services

## Free Home Delivery Service

- Anywhere in Great Britain (including Northern Ireland).
- Delivery normally within 14 days.
- Order in-store or by telephoning ARGOS DIRECT FREE LINKLINE (see below). We operate the Free Delivery

Service on items which are too large or heavy to stock in our stores, delivering them free of charge direct to your home. These items are marked by the red lorry symbol and are not available for collection from any of our stores.

**ARGOS DIRECT 14 DAYS**

## Free 3 Day Home Delivery Service

We are able to deliver certain items (only those marked by the 3 day red lorry symbol) on a fast delivery service, three working days from the date of order.

## Free Delivery and Installation on Selected Computers

Our free home delivery on selected computers, also includes unpacking and setting up in the home. See page 175 for more details.

(This offer excludes the Scottish Highlands and Islands and the Isle of Man where we can only offer free delivery.)

## How to Order

You can order any of the items covered by Free Home Delivery at the Customer Services area in our stores, or you can order by telephoning the ARGOS DIRECT FREE LINKLINE anytime between 8.00am and 10pm, 7 days a week giving your order and credit card details. Once you place an order, we will contact you to arrange delivery. Delivery will normally be within 14 days, unless otherwise indicated in the item description or at the time of ordering.

**Argos**  
**DIRECT**

**0800 555899**  
**FREE LINKLINE**

Please note: The above 0800 Linkline number can only be used for placing orders for items marked in the catalogue with a red lorry symbol. When ordering you will be given an alternative number for any other queries.

## Superstore Delivery Service

- Deliveries anywhere within 20 miles of any Argos Superstore.
- One small delivery charge covers as many catalogue items as you wish to order (excluding those delivered free by Argos Direct).
- Order by telephone or in-store.

## Free Delivery and Installation on selected TVs\*

As an extension to our Superstore Delivery Service, we also offer FREE DELIVERY AND INSTALLATION on all large screen televisions \*(20 inch and over) and VCRs from any Argos Superstore.

Installation is to an existing electrical socket and adjacent aerial point. This offer applies within a 20 mile radius of any Superstore (mainland only).

See page 490 for more details.

## How to Order

You can order by telephoning the Superstore during normal working hours, just giving your order and credit card details. Or you can arrange delivery when you order in-store (see over for your nearest Argos Superstore and telephone number).

**Argos**  
**Superstore**

TAKES CARE OF IT

## Over 320 Stores Nationwide

We have two types of Argos stores, "Traditional" and "Superstores" - each has its own special catalogue containing a different number of products.

- The Traditional catalogue contains over 4,000 top quality products for you to choose from.
- The Superstore catalogue is where we have combined our normal traditional range with an extra 2,700 products exclusive to our Superstores.

### Superstore Delivery Service

If you live within 20 miles of a Superstore you can order goods through our Superstore Delivery Service.

See page 635 for details.

### NEW STORES

These stores are highlighted with a RED outline.
